## PRINCIPAL'S REPORT

4am is the departure of the bus heading to Sydney for the major secondary excursion tomorrow. I will be joining this excursion and look forward to spending time with the students. The first activity we experience is fine dining at the Sydney Tower, so I will have to overcome my fear of heights. Other activities include seeing the musical 'Wicked', a ghost tour at the Quarantine Station, swimming in the surf at Manly Beach and a morning at Luna Park. We will be late getting back to Ariah Park on Friday night at approximately 11.00pm.

The Visions of Temora presentation at the town hall last week was well worth seeing. The students presented information about Ariah Park on the current theme 'Present'. The students spoke very well to the audience and presented information on the towns businesses, sport, services and education. Thank you to all students of year 3/4 for a fantastic job and to Kate Pollard for organising this experience.

The Wagga Regional Band exceeded all expectations this week and many of the

students thought it was fantastic. It was a very inspiring performance.

Congratulations to Riley Walker, Blake Smith and Fraser Harper making the PSSA primary district cricket team.

My congratulations also to Paige on her graduation (see article in this newsletter). I wish Paige every success as she enters the next phase of her life.

## **WHOLE SCHOOL NEWS**

### **Year 12 Graduation Dinner**

Last Friday night Mr Englert and Mrs Drumore travelled to the Leeton Soldiers Club to help celebrate the Year 12 Access students' graduation. Paige Breust, our only Year 12 student this year, looked stunning and gave a heart-felt speech thanking teachers, parents and friends for their support over the

final 2 years of her education. Paige will now begin a part-time job at K-Mart in Wagga and hopes to go to Charles Sturt University to study Social Work or Teaching. We wish her all the best for her future.

### **Hot Weather and Soft Drinks**

Parents are asked **NOT** to send soft drinks with their child/children's lunches. In hot weather, cans have exploded making a terrible mess in bags and potentially over children and staff.

Thank you.

## **Agriculture News**

Over the past semester secondary students have raised approximately 50 mixed breed chickens in Agriculture. During the course students have learnt about animal husbandry, chicken anatomy, input management and genetics.

With the Christmas holidays fast approaching the Agriculture students are looking to sell the chickens as unsexed mixed breeds for \$10 each on a first-in basis. The chickens range from 8-10 weeks old.

Orders may also be taken to incubate chicks to be collected as day olds. Incubation takes approximately 21 days. Price will be dependent on the size of the order.

The funds raised will be used to support the delivery of Agriculture within the school.

If you are interested in buying any chickens, please email:

### Chess Championship Decided

The third and final match was played between Chris Ryall and Mitchell Maguire last week to decide the 2014 chess champion of Aria Park Central School. With the matches tied at 1 game all everything was on the line in the last best of 3 final matches. In a hard-fought match Mitchell took the early lead but then Chris fought back. As the time approached the hour mark Mitchell used his slight advantage to mount a winning set of moves to get the checkmate.

Well done to both boys and to all players in the competition this year. The

closeness of the matches and the standard of chess was exceptional.

Mr Englert

### Years 10 and 11 Study Day

A final reminder that all notes should now have been returned to school – if your child has not brought back the note please ensure it is returned as soon as possible. Transport and food arrangements are being organised this week for the Study Day in week 8 so knowing final numbers is essential.

### Visions of Temora

*Year 3/4 on stage at Visions of Temora*

Watch our next week for the whole story!!

### Swimming – Year 1-6

The intensive swimming lessons will start on Friday 28<sup>th</sup> November. The first day is a testing day and students will be put into 6 groups. Parents will then be notified what group their child is in and at what time they will be doing their swimming lesson for the following 9 days. We are trialling only having 2 x 45

minute lessons at one time, to give students more room in the pool and smaller groups.

Students will be required to bring swimmers, towel and sunscreen each day in a bag so they can change into, then out of, swimmers. Students who get selected to do Senior Swim and Survive Certificate will need old clothes but they will be told when to bring them, once they have started their lessons.

Non swimmers will only be doing lessons in the 'little pool' and have 3 adults assisting.

This is the first time Year 1 are taking part in swimming lessons. The school has been given funding to run this new swimming program and we hope that it will achieve great results and capable swimmers.

A swimming permission note will be sent home to all students Year 1-6 this week.

Mrs Jenkins

There might be no extra sausages available for primary students, so please make sure you order.
