PRINCIPAL'S REPORT

Today we had a visit from the Hutcheon and Pearce Recruitment Officer, Mr Matt Duffy, to provide information on working within their John Deere dealership. Mr Duffy clearly established the importance of education and the minimum entry requirements now for gaining employment with them. Their business has become more than mechanical know-how these days and requires high levels of numeracy, literacy and technology, with students requiring at least Year 11.

Our full day orientation programs commence this week with the full day Year 6 to 7 program on Thursday and the Kindergarten program Friday. This is an exciting time for these students and families and it should be a great day. More information is contained within the newsletter.

The Paper Planes crew is with us tomorrow to lead workshops and activities, including making paper planes. This is a great opportunity and we are lucky to attract such a workshop to our

rural school. Thank you to Miss Pollard for organising this event.

Applications closed last week for our advertised primary positions and we are pleased with the quality and quantity of the applications. We will have news on who the successful applicants are, hopefully by mid next week.

And finally, our 5/6 students are heading off to the Lake Cowal Gold Mine this Wednesday to participate in activities at the Education Centre. Our annual intensive swimming program commences next week, with testing this Friday.

Bus Values

A reminder to all students that our school values of Respect, Responsibility and Resilience, apply on the school buses travelling to and from school. Some examples of this would be:

1. Keeping conversations appropriate.
2. Using polite language and tone to one another.
3. Sitting correctly for safety.
4. Talking quietly so that the bus driver can concentrate.
5. Helping one another when problems occur.
6. Reporting negative incidents to the driver.
7. Keeping the bus clean and tidy.

Happy Travelling

Movember

MOVEMBER 2015 Movember is here.

For 30 days we're growing moustaches, getting active and changing the face of men's health.

APCS will support the cause by having people either growing their own Mo or simply wearing one (bought or drawn on) **this Friday, 27th November**. Students can pledge a gold coin donation and then come in casual clothes to support the cause and to help support Mens' Heath.

Any queries or questions please contact the school.
