

## PRINCIPAL'S REPORT

Intensive swimming continues this week and by all reports the program is working well. Basic swimming and survival skills are essential these days with so many backyard pools and water features on the increase in many homes. Our students are doing particularly well and having an enjoyable time in the process.

Presentation Night is the main item on the agenda this week that will be held in the Memorial Hall next Monday evening. I hope many parents can attend and celebrate the achievements of our students. We have included a couple of student performances that are a must see.

This Friday will be our last whole school assembly for the year where we will recognise the efforts of our volunteers. It is great to see so many parents and community members volunteer their time to help with our learning programs. This is why we are a great learning community and I thank all of these people in advance.

The school canteen has been booked in for its renovations over the break and it should be up and running for the first

week back and the new Hospitality Trade Skills Centre will be handed over to the school in the first week. Very exciting! The P&C meeting has been cancelled this week so I would like to thank the P&C for their support this year and look forward to meeting early next semester.

## P&C NEWS

There will be no P&C meeting tomorrow night and we will start afresh in the New Year.

Thanks to everyone who has contributed in whatever way, during this year. Without everyone's efforts, we could not be as effective as we are.

I wish everyone a Merry Christmas, Happy New Year and happy school holidays with their families and friends.

### Movember Fundraiser

Thank you to everyone who donated and supported our Movember day to help support Men's Health. Arian Park Central was able to raise \$172.00 to help support funding breakthrough solutions that produce tangible improvements in the lives of those dealing with prostate cancer, testicular cancer, poor mental health and physical inactivity within men. I was impressed by the various styles of Mo's that turned up on Friday and look forward to supporting the cause again next year with my Mo Bro's.
