PRINCIPAL'S REPORT

This is final newsletter for 2015 with Christmas just around the corner. Tonight is Presentation Night and it's always great to come together and recognise student achievement. I am looking forward to the evening and hope to see many of you there.

Tomorrow we are holding a boys' and girls' afternoon, with a range of activities planned for both groups. Thank you to Mr Stevens and Miss Pollard for organising the event.

I would like to remind all of our students to be safe over the holidays. Be careful around water and keep a lookout for each other.

New Supermarket to open in Arian Park

Arian Park and district residents are anxiously awaiting the official launch of the new SPAR Arian Park Supermarket next Wednesday, 16th December.

Since purchasing the Arian Park Supermarket from Darrell and Ann Noack four weeks ago, Pramodh Dhanpal (known as “DP”) and Krishna Mota (“Krishna”) have done extensive modifications and refurbishment to the premises. This includes new flooring, new ceiling, lighting and air conditioning, new food preparation area and new shelving and display cabinets. Local residents have noticed the 96 solar panels that have been installed on the roof of the supermarket.

Krishna and DP have been mates ever since their undergraduate days in India. They both studied in Sydney and worked in retail supermarkets. After they graduated, they continued in retail in various capacities and developed a passion for retail. They visited a friend’s service station in the Illawarra Region south of Sydney, and instantly loved the semi-country feel and location.

After that experience, they decided to take their careers and operations to the country. Their first venture in this direction was to purchase the Ardlethan Supermarket 12 months ago, and it has been a very satisfying and fulfilling experience. Now that has settled down, they have been looking for similar opportunities in the region to grow and strengthen their experience, and branch out to surrounding towns, where, similar to Ardlethan, the communities are strong and supportive. When the opportunity came to set up in Arian Park, they jumped at the chance.

The Arian Park Supermarket will be a member of the SPAR franchise. SPAR Australia is one of the fastest growing retail groups in Australia with store number growth rising from 25 stores in 2006, 75 in 2008, and with over 140 stores under the SPAR Australia brand in 2015. SPAR started in the Netherlands, and it now has 12,000 stores in 35 countries, and is recognised as one of the most progressive and innovative food retailers in the world.

The SPAR Arian Park Supermarket will be open from 8.00a.m. to 5.30p.m Monday to Friday, 9.00a.m. to 1.00p.m. on Saturday and closed on Sundays. They will have weekly specials running from Monday to Saturday. The new store will be stocking fresh fruit and vegetables, fresh meat from the Coolamon Butchery, a fresh Bakery range from Mick’s Bakehouse in Leeton, Barbeque Chickens, and a wide range of goods in the fridges and freezers. Arrangements have been made to add a delicatessen bar at a later date if there is sufficient demand.

Krishna has been the onsite Manager at the Ardlethan Supermarket for the past year, and will now move to Arian Park to live in the residence behind the supermarket. He is married to Belinda, and they have two young girls, 5 and 7. Belinda is presently a Deputy Principal at a Primary School in Sydney, and hopes to find a similar position in the local region sometime in the future. In the meantime, Krishna commutes back to

his family every fortnight. DP has been trying to convince his partner to move to the country, but so far without success.

They will be employing several locals in the supermarket on the checkouts, while several others will be engaged part time to pack the shelves.

The Aria Park Community is right behind this new supermarket, and will be assisting DP and Krishna launch the new SPAR Aria Park Supermarket next Wednesday, 16th December. There will be a Sausage Sizzle from 12 noon to 1.30p.m. especially for the senior residents, and again from 7.00p.m in the evening for families and late night shopping till 9.00p.m. The launch has been timed to coincide with the Aria Park Community Christmas Tree in Davey Park, and residents and families will have a good chance to inspect this exciting new development for Aria Park.
