participating in Milo Cricket**

**Important  
DATE!**

**Week 8  
Primary Intensive  
Swimming starts**

## PRINCIPAL'S REPORT

This week the primary head off to the Blue Mountains for their major excursion. They will visit The Three Sisters, Jenolan Caves and do abseiling to name a few of the activities. Hopefully the weather remains fine and they have a fantastic time.

Today we have visitors from the Secondary Education Directorate to take a look at our Sheep Dog Training as well as Science Technology Engineering and Mathematics (STEM) Program. It is great to increase the profile of the great opportunities Ariah Park has to offer and we hope to expand on these initiatives into the future.

On Wednesday a number of our students will be going to see "Bard on the Beach - Macbeth" performance at Coolamon. It should be a great day out and thank you to Miss Farrell for organising the excursion.

There are quite a lot of final assessment tasks falling due over the next two weeks. It is important for students to organise their assessments so they are

not left until the last minute. Many of these tasks are final exams so it is important to revise the learning at home in preparation.

Milo Cricket and Kinder Transition continue this week with just a reminder that you must wear a hat when you are out in the sun.

Principal

## Mary Gilmore Poetry Competition Awards

Firstly, the Festival Committee would like to thank the school students for participating in the competition. We also thank the teachers for providing the students with the opportunity to write poetry for our local festival.

The judges commented on the students' efforts in writing a range of different types of poems, including their use of Acrostic and Haiku poetic forms and their imagery this year.

All students should be pleased with their poems.

However, we can only acknowledge a few with certificates and prizes, so we would like to congratulate the following students.

## SECONDARY NEWS

### Assessments Weeks 5 - 6

Secondary students have a number of final assessments due over this coming fortnight. Most of these have had more than the minimum two weeks of notice before they were issued. We strongly urge students to use their time in class wisely to seek and implement teacher assistance, then polish tasks at home before the due date. Students are reminded that the trial change of submission time to the second of half of lunch was primarily to allow assignments to be printed out, and students should not be seeking to complete their task in lessons for another subject on the due date. The exams to be held in Week 6 will mostly be in-class tasks. However, Year 7 - 10 Science Exams will be held together on Tuesday 9am for 70mins.

Mrs Drumore

### Stage 5 Work Experience Week 7

Most students have indicated either a workplace or a possible industry where they would like to do Work Experience. Last Friday, a folder was sent home with

information for parents and carers about Work Experience. While the preferred week for Work Experience is Week 7 (21st - 25th November), this can be negotiated. The next couple of weeks are full of assessments so preference is after these have been completed.

Students are encouraged to send an email letter applying for Work Experience, following up with a 'phone call introducing themselves and finalising important details. Mrs Drumore, as Work Experience Co-Ordinator, will send the required Student Placement Record form to employers if students are unable to do so themselves.

Work Experience requiring accommodation away from home requires a separate permission form.

For any questions or queries, please contact me.

Mrs Cathy Drumore

Work Experience Co-Ordinator

### **AAPM Northern Jets News**

Attention Players and Supporters,

Due to lack of numbers and support at our AGM, we will be conducting another Annual General Meeting on Friday 11th November 2016 at the Ardlethan Clubrooms at 7:30pm.

We are looking to fill positions and increase general support for our club! We understand people are busy, but you can spare an hour of your time to support our club.

The club needs your support!

We hope to see more people there!

### **It Takes A Village**

Bland Shire Children's Services Unit has a Face book page. When we get the chance we post about some of our recent activities on this page and we recently posted about Altina Wild life park and Claire Cummings art class in Tallimba + photos! We invite you to have a look and like the page so that you can see more of our posts ☺
