

**2017 Kinder Orientation Day**

*Important  
DATE!*

**Wednesday,  
14/12/16  
Presentation  
Night - 7pm**

## PRINCIPAL'S REPORT

It's week 8 already and how time flies when you are having fun. This week Intensive Swimming commences for our primary students. In particular, there is a focus on those students who are yet to be able to swim 25 metres. Swimming is such a vital skill for survival with access to water increasingly available. It looks like it should be good weather and a reminder to wear plenty of sunscreen.

Tomorrow the Wellbeing Team are holding their Girls' and Boys' Values Education Day. Kim Sandgren, our Temora Shire Youth Engagement Officer, will be joining us to run interactive workshops on creating and sustaining positive relationships. It should be a good day for all and food will be provided on the day.

Year 6-7 full day transition continues this Thursday with the Parent Information Session being held at 2.30pm. Parents are welcome to attend the whole day but if not available it would be good to see you at the session to receive your

child's starter pack and Computer User Charter.

Also our Kindergarten Transition continues for a full day this Friday with our Parent Orientation and Information Meeting at 2.30pm. We welcome new families to our school and hope your child has a seamless transition.

Good luck to Jack Speirs who has completed building his quadcopter drone and is ready to make the first flight this week. It has been a major technical task to get this far with many hours of hard work.

## Morning Reading Program

Our Morning  
Reading Program  
will finish today.

Thank you to all  
our wonderful  
volunteers for their  
help throughout the year. Could all  
students please check at home for any  
home readers and return them as soon  
as possible.

## Intensive Swimming Program

All students from Kindergarten to Year 6 will be taking part in the School Swimming Scheme Program this year. We have been given additional hours from previous years and can now include all Kindergarten students in the program. I apologise for all the notes that have been sent home but separate permission is needed for students to take part in the program. We have Mrs Debbie Worland taking 4 groups each day and all class teachers will take a group each. We will also have our support staff assisting.

This program isn't compulsory so if students haven't returned their notes or you do not wish them to swim this year, they will just remain supervised at school.

As you can imagine there is a lot of organisation involved in taking K-6 to the pool. Staff would really appreciate that students have their swimmers and towel each day. If there is something else on at school like WSA, we will still swim but the times may change.

## Memberships:

Swim Club memberships should all now be paid, please contact Alice, April or Sam if you need to discuss this.

## Training:

- ✓ Please be patient with the coaches over the coming weeks as they continue to work out the groups. The first group starts at 4:00pm to approx. 4:30pm and the 2<sup>nd</sup> group starts at 4:30pm – 5:30pm.
- ✓ Please make sure you are ready to start 5 mins before training and you have your cap, goggles, flippers and water bottles ready to start.

## Carnival:

- The carnival entry form was emailed out to everyone last week; if you didn't receive it please contact Sam. All entries need to be emailed to Debbie on: [jwo11316@bigpond.net.au](mailto:jwo11316@bigpond.net.au) no later than Sunday 4<sup>th</sup> December and must be paid for at this time too. If you have any questions on how to put your entries in please contact Debbie **mob: 0428 741 194**
- There will be a list of jobs for the carnival left at the pool, please have a look and put your name down for a job. There are things that you can help with even if you aren't attending the carnival. This is a major fundraiser for the club so it's important everyone supports it.

## **Fathers Care Inc**

We are a non for profit organization that deals with people less fortunate than others. We currently are running a community garden farm that supplies vegetation and other fruits to the community using volunteers. We work alongside other churches and other organizations in various community programs, such as exodus which feed the hungry every weekend in the Central Sydney area. We are currently in need of equipment, old or broken that can be fixed by us and then be reused in our farm. We are kindly requesting to see if you have any ex equipment that could benefit us, essentially we would take any equipment as we do need parts and bits that could benefit the equipment we currently are using.

The Equipment we are essentially looking for is ex café and restaurant equipment

Tools of any kind

Computer and electronics of any kind

Motor parts and even broken transportation

And room fit outs

In terms of logistics, we have volunteers available with a truck to pick up at any time during business hours or even worst case after business hours. Our Volunteers will also do the disassembly if required.

Your donation in our quest to refurbish our farm would not go underappreciated; in respect we are contented for any goods that could benefit our Farm here at Fathers Care Inc.

For more information, please don't hesitate to contact me on 0403 728 708
