

**Year 6 Christmas Wreaths**

## PRINCIPAL'S REPORT

This week we have all of Stage 5 on a week block of work experience. We are very thankful to the many businesses that have hosted our students. We are fortunate enough to have students in a range of fields including, health, retail, agriculture, welding fabrication and computing. We wish them all well and are excited to hear about the students' experiences.

This Thursday we are hosting a STEM Challenge against students from Temora West Public School. Without giving too much away, I can tell you that students will be involved in creating, constructing and testing their own designs. We look forward to this and cannot wait to see what is created. We also have our whole school Transition Day on Friday. Every student will transition up to the class they will be in for 2018. This is a particularly exciting day for our new Kindergarten students and our Year 6 into Year 7 students. Parent meetings will be held throughout the day with the Kindergarten Parent meeting being held

at 2.00pm and the Year 6 into 7 Meeting at 3:45pm for a 4:00pm start.

We also have Intensive Swimming for selected students in Kindergarten to Year 6 this week, as well as a visit from our Police Youth Liaison Officer.

As the year nears an end, we will celebrate and acknowledge the success of our students. We will be hosting our Presentation Night on the Wednesday evening of Week 10, being the 13<sup>th</sup> December. The Presentation Night is scheduled to commence at 7.00pm and we look forward to seeing you all at the Memorial Hall.

## The NSW Healthy School Canteen Strategy

The NSW Healthy School Canteen Strategy aims to support student health by providing access to healthy foods and drinks to make the healthy choice, the easy choice. The Strategy addresses school canteens across NSW to support healthy growth and development of children.

Healthy eating is important as it provides students with the essential energy and nutrients they need to learn, play and grow. Children need to eat healthier foods and drinks to meet their recommended requirements. Healthy habits for life are set up in childhood – overweight children are more likely to go on to become overweight or obese adults with an increased risk of serious chronic health problems.

All schools in NSW are supported by the NSW Healthy School Canteen Strategy. All NSW public schools are required to transition to the Strategy by the end of 2019.

### THE AUSTRALIAN GUIDE TO HEALTHY EATING

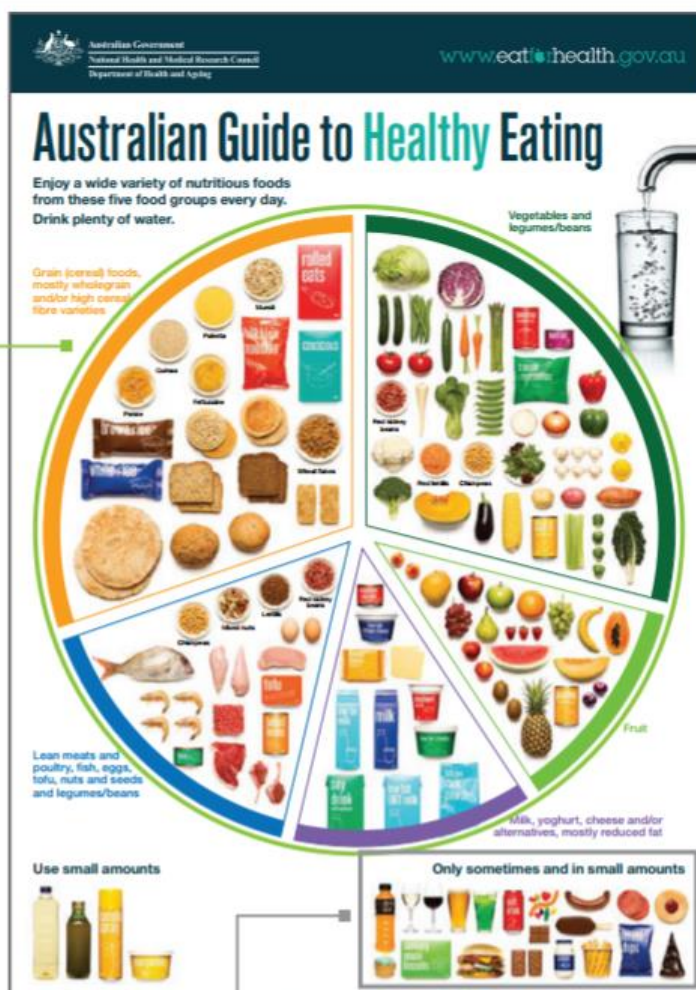

#### EVERYDAY FOODS AND DRINKS

- **Foods to eat every day**  
Fill at least  $\frac{3}{4}$  of your menu with a range of these healthy foods and drinks from the five food groups or meals made from them.

#### OCCASIONAL FOODS AND DRINKS

- **Foods to eat only sometimes and in small amounts.** Mostly foods high in saturated fat, sugars and/or salt and often with little nutritional value. They are not needed as part of a healthy diet.
- Provide only the healthiest choices in school canteens – those with a Health Star Rating of 3.5 stars and above<sup>a</sup> – and limit them to no more than  $\frac{1}{4}$  of the menu.
