Presentation Night

Principal's Report

Dear Parents, Caregivers and Community Members,

We certainly had a lot of rain over the weekend, I hope everyone stayed safe and dry.

This week we have our student dance groups performing at the Family Expo at Gloucester Park Temora. We will also have our Child Studies and CAFS students attending to learn about what services are available to support families in our area.

Last week our staff were very fortunate to have School Psychologists Anne Egan and Nicola Johnston come in to present our twilight Staff Development Day. The focus was 'Supporting our Students Mental Health'. This will consist of 2 x 90min sessions to provide knowledge and practical skills for all school staff to effectively support student mental health.

Our staff will learn about:

- the mental health continuum, risk and protective factors
- how mental health is influenced by a child or young person's development and key transition points
- the relationship between mental health and learning outcomes
- a simple model of practical skills for recognising and supporting student mental health referral pathways to access other available mental health supports
- the range of available related professional learning to further develop knowledge and skills in supporting student mental health

I would also like to thank Kylie O'Shea and the P&C for catering our recent events/meetings over the last couple of weeks, it is very much appreciated.

Yours in Education,

Allan Johnston
Principal

*Every student matters every day.
Every student can succeed.*

LOOKING FOR POTENTIAL EMPLOYERS

Calling ALL Professions - WE NEED YOUR HELP!

We are looking for any businesses that would be interested in providing hands-on real-life work experience for 1 week to students in Year 9/10 between 5th - 8th December 2022

This is a fantastic opportunity for students to engage with potential careers before leaving school and also for businesses that may be looking for potential employees in the future.

If this is something you think would suit you and your business, please contact Melissa Saffy at the school for more details.

Transport for NSW

School Travel

Term 4 2022

2023 school travel applications are now open

Applications for student travel in 2023 open from **Monday 10 October 2022**.

Students who need a School Opal card or travel pass for 2023 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2023.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes.

Students/parents should confirm with their nominated operator if they do not receive a pass.

Travel from Term 1 2023

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2023 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

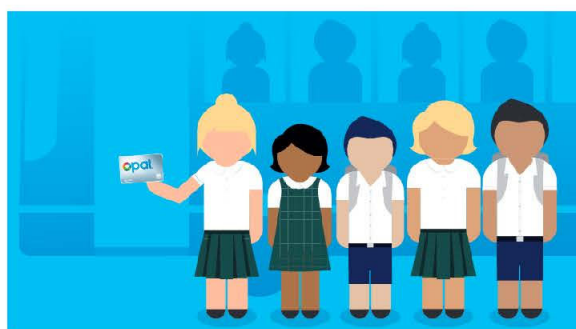

School News

School Travel
Term 4 2022

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Further information can be found at transportnsw.info/travel-info/using-public-transport/school-travel

Enquiries can be submitted at transportnsw.info/contact-us/feedback/passes-concessions-feedback

School News

Primary News

Welcome to Week 3 Term 4.

Last week Macey Kenworthy and Hayden Walsh travelled to Sydney to compete at State Athletics. Hayden competed in the discuss event and placed 27th overall. Macey competed in the 1500 metres and placed 5th in her heat and 21st overall and in the 800m she placed 6th in her heat and 25th overall. What an enormous effort to make it all of the way to state. We are so very proud of your efforts and hope you enjoyed an awesome experience.

On Wednesday the Infants Dance Group and the Year 3/4 Dance Group will travel to Temora to perform their dances at the Temora Family Expo. Students are really excited and we are looking forward to the day. A reminder for students to bring a packed lunch and for students in the Year 3/4 Dance Group to **bring a hair brush, bun net and bun pins.**

On Thursday we have some students from Year 3/4 and Year 5/6 participating in a Touch Football Skills Day at The Arian Park Football ground. We hope you enjoy this day.

Kindergarten had a wonderful start to the term with Mrs O'Brien and really enjoyed having her as a teacher. They were also super excited to see Miss Kite who we now call Mrs Fisher after her wedding and honeymoon. Kindergarten loved working in groups and creating a drama skit during Drama lessons this week.

It was so great to see Year 1/2 loving their music lesson as they practiced their drumming skills using pool noodles. It was awesome to see!

Year 3/4 have had a busy week of assessment as they undertook the Reading and Numeracy Check in Assessment Tasks. These tests allow teachers to view students progress and target areas of focus to improve on. Year 5 will undertake their Check in Assessment this week.

Year 6 have been focusing on 'Time' in Mathematics, specifically telling 24 hour time and elapsed time.

Uniform reminder for **plain** black shorts, Arian Park polo shirt and bucket hats in Term 4.

Mrs Anderson

School News

Secondary News

We are in the thick of assessment time in the Secondary Faculty this week. With several Stage 4 and 5 assessment tasks due this week.

Secondary students are welcome to attend learning centre this week as it will be open with a focus on assessment task completion and submission.

We are also completing check in assessment for Year 7, 8 and 9 this week and Year 10 will be attempting the minimum standard test required for the HSC course. This is a very exciting time for teachers as we get immediate feedback in the skills students have developed since the last set of exams. If parents have any questions or concerns, please do not hesitate to contact me.

In BOOST lessons last week students were challenged with some math puzzles that focused on a range of mathematical skills. Several students were successful in solving the puzzles, which is very impressive! They were tricky!

It is always nice to see our students taking on new challenges and working hard to improve their skills. Students also participated in a 60-word spelling test that featured some tough words such as, manoeuvre, accidentally, amateur and perseverance. Perhaps students and parent can test each other throughout the week!

HSC exams continue this week, and we wish our students the best of luck in completing these papers. This week we have our year 11 students who have early commenced in Hospitality sit the exam on Thursday.

Wishing you all a positive and productive week,

Ms Horne.

School News

Year 3-11 End of Year Excursion

Now that we are getting closer to the big day, we thought we would give you an update on what activities students will expect to undertake whilst at Camp. What we have done is split off into 3 groups, where they will rotate through a variety of different activities over the 3 days. At night, students will get both a campfire and a school led night activity.

Groups	Monday				Tuesday					Wednesday		
	Arrive 12:30	1:30 – 3:00	3:30 – 5:00	7:30 – 8:30	9:00 – 10:30	11:00 – 12:30	1:30 – 3:00	3:30 – 5:00	7:30 – 8:30	9:00 – 10:30	11:00 – 12:30	Depart 2:00
1 (Year 3-4)	Welcome Games Cabins BYO Lunch	Initiatives	Giant Swing	Campfire (OEG- led)	Archery	Bushcraft	Canoe	Low Ropes	School Led Night Activity	Enviro Ed: Story of A River	Group Game - Mini Olympics	Lunch 12:30- 1:30
2 (Year 5-6)		Initiatives	Vertical Challenge		Giant Swing	Archery	Bushcraft	Canoe		Low Ropes		
3 (High School)		Initiatives	Low Ropes		Vertical Challenge	Giant Swing	Archery	Bushcraft		Campfire (OEG- led)	Canoe	

Notes:

Meal times	
Breakfast	7:30-8:30am
Lunch	12:30-1:30pm
Dinner	6-7pm
Morning & afternoon tea provided	

Medications

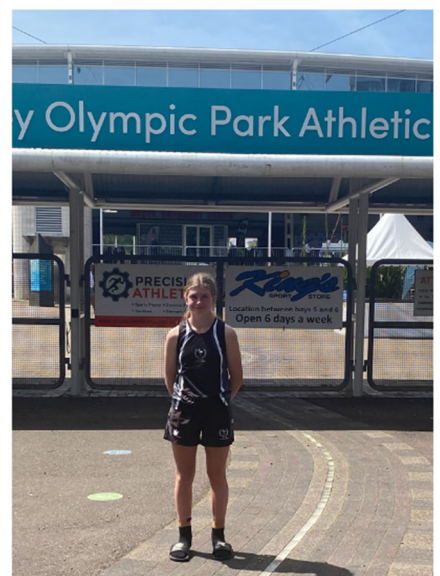

Any child that requires medication whilst on the excursion must have a **Medications Permission form** filled in and sent back to the front office prior of going on the excursion. A medication schedule needs to be developed to ensure that each child received their medication at the correct time. This includes any medication your child takes whether a prescription is required or not.

All medication must be provided to Melissa Saffy or another teacher attending on the morning of the excursion. If we do not have the correct permission form completed, your child will be unable to take the medication on the excursion.

Camp Wombaroo have also for their records requested a medical form to be completed if your child has any dietary requirements. This form was attached in the online permission note you were sent.

If you require both or either of these forms, please contact the front office.

Miss Saffy
