## Principal's Report

Dear Parents, Caregivers and Community Members,

Thank you again to those staff who relieved in my absence this week while I recovered from COVID-19. This is a timely reminder that if your child is sick please remain home. If your child tests positive, please let us know so we can mark them with the correct leave. There is currently, no isolation requirements but it is highly recommended people exiting self-isolation after symptoms have disappeared wear a mask for 7 days. Always, if you are concerned, please contact your local GP for medical advice.

On Friday I had the pleasure of attending professional learning with the executive staff and Miss Greenlees in Sydney around developing strong professional learning practices across schools. This was held by Dr Simon Breakspear and Tom Sherrington. The team that attended is excited to come back to school with a strong vision on our direction into 2023 for building the capacity of our teams.

Congratulations to Finn, Grace, Drake, Sinead, Connor, Annelise and Makaela who from all accounts delivered exceptional speeches at the leadership assembly on Friday. It takes a lot of courage to stand up in front of your peers to represent the school as a leader. Thank you to Mr Crouch for coordinating this awesome opportunity for our students.

This week I look forward to getting around to many of the classes and starting my final survey with our students about how we are tracking as a school. I look forward to their insights and discussions around this. This, with the surveys collected across our staff and parent body will really guide us in what is important to us as Arian Park Central School and where to next.

Please keep safe and have a wonderful productive week.

Yours in Education,

Allan Johnston

Principal

## Primary News

I can't believe we are over half way in the term and already at Week 6.

It was so lovely to have our students for next years Kindergarten visit our school on Tuesday. We are so excited for you to come and visit again and then attend every day next year.

Last week Kindergarten really enjoyed cooking chocolate crackles as they wrote recipes in their writing lessons.

Year 1/2 have been learning about heat and cooling in Science and viewing how they change.

Year 3/4 have been focusing on Multiplication and Division in Mathematics and learning about onomatopoeia in Grammar.

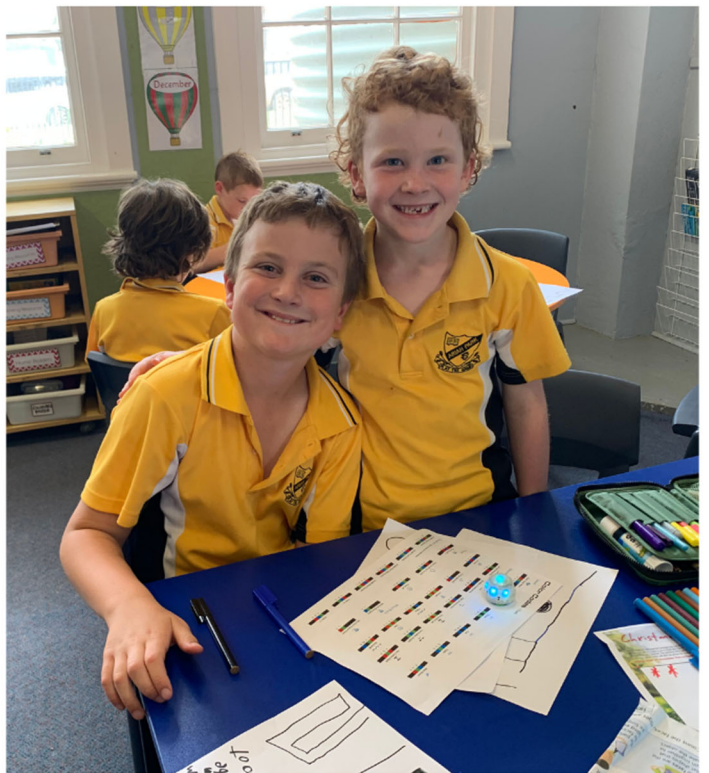

Year 5 have been learning about Fractions in Mathematics and Year 6 have been really enjoying reading our novel 'Hating Alison Ashley'.

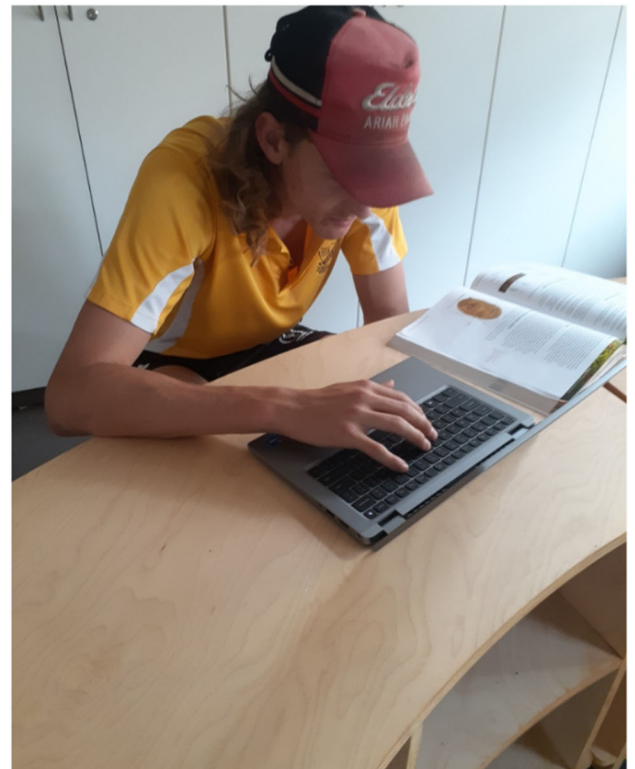

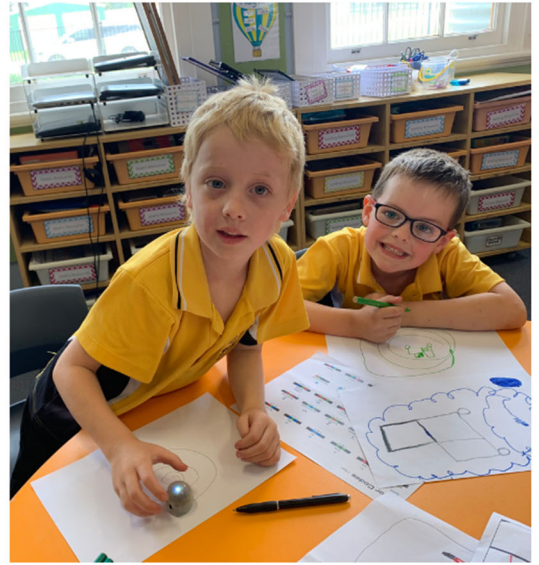

Both the Infants Dance Group and the Year 3/4 Dance Group have been working hard on their performances for the end of the year. Mr Davey is also organising another chess tournament at the end of the week for students to participate in.

Finally I would like to say well done to all of our primary students for being so sun safe. I commend you all for wearing your broad brimmed hats and applying sunscreen regularly throughout the day.

Keep up the great work!

## **Ariah Park Redbacks U13s Cricket Report**

The Ariah Park Redbacks Under 13's continued their good early season form with a venomous 64 run win against Young Hilltop's Vegetation on Saturday at Young.

Ariah Park batted first and set an imposing total of 162 off their allotted 30 overs.

Jobe Davey (42 runs) and Liam Edis (24) got their team off to a great start sharing a 69 run partnership before both retired after 30 balls.

This was followed in the middle order by Cooper Herden, who scored a powerful 49 (also retiring) and Josh Davies, who made a handy 12.

Young's batting innings started disastrously and were soon in trouble deeper than the local potholes, decimated by openers Hayden Walsh and Leo Furphy, who both took early wickets.

Hamish Cochrane and Liam Edis both chimed in with 2 wickets each as Young eventually made 98.

The highlight of the bowling innings came right at the end when Debutant Logan Bell took his first wicket, and this was met with a jubilant mid-pitch celebration from his teammates to finish off the game.

The win makes it 3 out of 3 for the season for the Redbacks and they will take on the Gordon Winkley Warriors (Temora) in Ariah Park this Saturday.
