## WEEK 9A TERM 2

*Respect, Honesty and Resilience*

### KEY DATES

**JUNE 24**

**NAIDOC Week  
Activities**

**JUNE 30**

**Whole School  
Assembly  
&  
APCS Fete**

**ARIAH PARK CENTRAL SCHOOL**  
**1 Harrison Street Ariah Park NSW 2665**  
**02 6974 1105 [ariahpark-c.schools.nsw.gov.au](http://ariahpark-c.schools.nsw.gov.au)**

## Principal's Report

This week we are excited to be celebrating NAIDOC Day on Friday. Ms Greenlees has done an amazing job of organising a whole day of events for us to participate in. NAIDOC celebrations are a great opportunity for us to recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC allows all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth.

I would like to congratulate Blake Smith who has been successful in receiving an apprenticeship. This is something Blake has been working towards for years! He is a very deserving candidate and will make an excellent electrician.

I would also like to congratulate our successful cross-country runners who have blitzed the field at Riverina and are headed to State! Congratulations to Fletcher Davey, Annabelle O'Brien, Leo Furphy, and Macey Kenworthy! We cannot wait to hear all about your trip to Sydney.

As we work towards our whole school PBL reward for Term 2, I would like to commend those students who continually show pride in our school and display a positive attitude by embracing our school core values of honesty, respect and resilience. I would also like to acknowledge those students who continually wear the correct uniform, this is a lovely way to display school pride and as a school we look great when we are all wearing uniform.

I cannot wait to see how many tokens we have collected as a school for the term! Keep up the good work!

**Bianca Horne**

**Relieving Principal**

## Visitors/Parents on the School Grounds

Just a reminder that all visitors to school **must sign in at the front office** via the QR code. This then connects to our internal system and lets us know who is on the school grounds at any one time. This includes canteen and reading volunteers, whole school assemblies, open days etc. You do not need to use the QR code if you are dropping students off or picking them up from the office.

*APCS Office*

### 60 Seconds With.....

**Name:** Andrea Fisher

**Role in the School:** Science and PDHPE Teacher

**Favourite Food:** Grazing platter or Thai food

**Favourite Music Genre:** RnB

**What would you have done if you hadn't taken up teaching?** Exercise Physiology - trained in both.

**Sum yourself up in three words:** Easygoing, active, adventurous

# School News

## 60 Seconds With.....

**Name:** Jasmine Kite

**Role in the School:** Kindergarten Teacher

**Previous appointments:** Aranda Primary School

**Favourite Food:** Tacos

**Favourite Band/Musician:** Meg Mac

**What would you have done if you hadn't taken up teaching?**  
Midwifery

**Sum yourself up in three words:** Ambitious, caring and kind

# School News

## Cyber Safety

### **Practical tips for parents to help children and young people use the internet**

The following tips will help parents provide support and guidance for children and young people as they engage in online activities.

### **Monitoring and supervision**

Monitoring a young person's online activities includes checking that websites are appropriate for a child's use and keeping an eye on the screen.

If parents are willing to provide children and young people with access to mobile phones and computers, then a responsibility to understand, model appropriate behaviour and communicate the basics of good digital citizenship should come with the access.

Advice on monitoring often focuses on keeping the device in a shared family area, yet in the age of wireless connections and internet-enabled smartphones this is increasingly difficult. Similarly, young people may control their own online details, such as passwords and web browser histories. Parents can address these difficulties in the following ways:

Develop a plan about internet use in partnership with family members. This can include:

- details of appropriate online topics;
- privacy setting checks;
- physical locations for internet use and parental monitoring (looking over the shoulder or line of sight supervision);
- limits on screen time;
- limits on when wireless internet connections and/or mobile devices will be available; and
- what may be identified as inappropriate posts on online profiles.

An internet-use agreement may be useful to develop with older children. Many schools have internet-use agreements that can be replicated and Queensland Police have [produced an example](#) .

# School News

Take an active role in discussing the benefits of online activities with children and young people, and what strategies they may use to respond to cyberbullying, other negative online behaviours or if they unintentionally access adult content. Discussions can include how these rules apply wherever they are online, including at home in their bedroom and when they are outside the home, for example at a friend's place.

## Protection

Parents can be encouraged to:

- Find out whether their child's school has an internet policy and how online safety is maintained. Inquiries should focus on the strategies used to educate children and young people about online safety and cyberbullying, whether parents are involved in cyberbullying initiatives and developing cyberbullying policies.
- Point out to children and young people that some websites on the internet are for adults only and are not intended for children or young people to see. Discuss what strategies a young person might adopt if they access this content.
- Use a family-friendly internet service provider (ISP) that provides proven online safety protocols. Filtering tools should not be solely relied on as a solution. Open discussion and communication with young people about monitoring and supervision is needed.
- Empower children and young people to use the internet safely by mutually exploring safe sites and explaining why they are safe. It's also important to educate children and young people on why it's not safe to give out any personal details online.

## Engagement and communication

Parents can be encouraged to:

- Discuss with their children how they may recognise the difference between online information that is helpful or unhelpful, true or false, useful or not useful. For example, government or education websites may contain more accurate information than opinions that are posted on an unfamiliar person's blog.

# School News

- Increase their own knowledge and become more adept at engaging in online activities and exploring social networking sites that are being used by their children. Learning alongside children and young people can be an effective way to achieve this—parents can be encouraged to let their children be the experts and help them to understand the tools they are using online.
- Focus on the positive aspects of the internet—spend time looking together at sites that are fun, interesting or educational. Find sites together that are age and stage appropriate for their children.
- Encourage their child to question things on the internet. When looking at a new site, their child could ask questions such as, "Who is in charge of this site?", "Have I found information or is it just opinion?" or "Is this site trying to influence me or sell me something?".

## Report

If you have found any material online that you believe is prohibited or inappropriate, you should contact the [eSafety Hotline](#). For further information, go to the [Office of the eSafety Commissioner](#) where a range of resources is available for parents and caregivers.

## Primary News

### Entrepreneurs

Entrepreneurs are encouraged to see Mrs Anderson or Ms Saffy about gaining approval to hold a store at the 2022 fete. This is an opportunity for existing student business owners to run a stall.

You will be required to provide a sample of what you will be selling and meet with Ms Horne to book your spot.

*Mrs Anderson, Ms Horne and Ms Saffy*

### Sport

On Thursday last week we had a large number of students travel to Gundagai to compete in the Riverina Cross Country. Despite an early start and a very muddy track our students all put in an amazing effort and should be proud of themselves.

We achieved some fantastic results on the day with Macey Kenworthy and Fletcher Davey coming first in their races and Leo Furphy and Annabelle O'Brien placing in the top 6 in their divisions which mean these students go onto to compete at State Cross Country. Jorja Herden and Chase Kenworthy also ran extremely well and have been selected as reserves for their age division.

Well done and congratulations to all the students who ran in the Cross Country event!

*Mrs Frater*

# School News

## Primary News

Almost the end of the term! This is so hard to believe.

This week we are really excited to celebrate NAIDOC Week on Friday. Ms Greenlees has organised a wonderful day to celebrate indigenous culture.

Kindergarten have had a really busy week. I was lucky to visit their classroom on Tuesday and watch a Science lesson that they completed with Mrs Fisher. They were learning about the types of materials and their purposes. They undertook a group experiment and wrote excellent descriptive words about how the different materials felt.

Mack Davey and Tim Davey tried particularly hard as they thought and spelt their own adjectives. Amazing effort boys!

Year 1/2 have also had a busy week as they learnt to tell the time to the hour and half hour in Mathematics, as well as having a ball as they moved in space during dance.

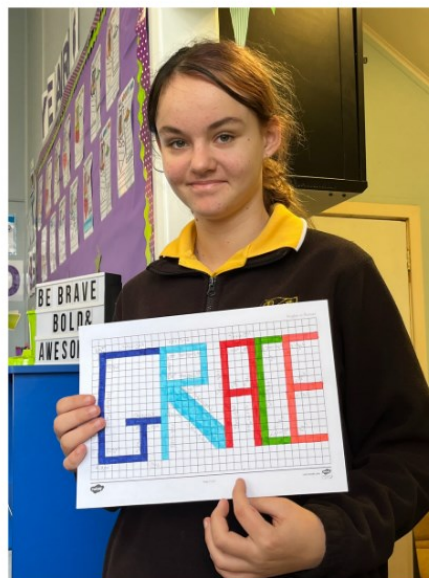

Year 3/4 have been focusing on position in Mathematics, ensuring they are using legends and gaining the skills to read maps.

Year 6 have been learning all about classifying angles this week and are looking forward to measuring angles using a protractor next week.

A reminder for all students to be wearing the correct school uniform to school each day. Riverina items of clothing are only to be worn on Friday's.

*Mrs Anderson*

# School News

## NAIDOC Week

On Friday 24 June, Aria Park Central School will be celebrating NAIDOC week. We will be celebrating with a performance, a smoking ceremony and activities ran by teachers and a special visitor.

Wadjiny performance: This entertaining exploration into the culture and day to day life in a hunter gatherer society will leave students with a lasting insight into Aboriginal histories and cultures.

Smoking Ceremony: A smoking ceremony will be held by Linton Howarth, Chief Executive Officer of West Wyalong LALC. This is a traditional Aboriginal practice that promotes well being and spiritual cleansing. Plants that local Wiradjuri people have an association with will be used to create smoke which will be washed over the body.

Whole school NAIDOC activities: there will be 4 activities ran by teachers and Linton Howarth, Chief Executive Officer of West Wyalong LALC. Activities include Indigenous art and sport, Dreamtime Stories and an information session with Linton.

**Parents are welcome to attend the Smoking Ceremony and listen to one of the information sessions with Linton Howarth between 11-11.45am.**

# School News

## End of Year Excursion

Students in Years 3 to 11 will have the opportunity to attend Camp Wombaroo for their annual excursion. This is in the beautiful Southern Highlands near Wollongong.

Over 3 days, students get to partake in a variety of engaging and varied adventure activities including, abseiling, orienteering, bushwalking, canoeing, high ropes courses, raft building, tree climbing experiences. The cost for this excursion will be \$345.00 per student.

Students will be departing from school on Monday 12 December at 7am and will be arriving back at school on Wednesday 14 December at approximately 6pm.

**Further information about what to bring and will be sent out closer to the date of the excursion. Notes were sent home a few weeks ago, but if you need another, please see the front office.**

## Medications

Any child that requires medication whilst on the excursion must have a Medications Permission form filled in and sent back to the front office prior to going on the excursion. A medication schedule needs to be developed to ensure that each child receives their medication at the correct time. This includes any medication your child takes whether a prescription is required or not. All medication must be provided to Miss Melissa Saffy on the morning of the excursion. If we do not have the correct permission form completed, your child will be unable to take the medication on the excursion. Please contact the Front Office if you require this form.

## Payment

For those who would prefer to pay in full, rather than in instalments, please notify the office of this ASAP as we need to confirm numbers.

Please note that **full payment is due by Monday 17 October.**

# School News

## End of Year Excursion – Payment Plan

Please contact the Front Office if you have any questions or if you require a prolonged payment plan. Payments can be made by cash or cheque at the Front Office or made via ‘POP’ (Parent Online Payment) by visiting the school website.

## P&C News

### **Fete News**

The fete is going to be held on Thursday the 30th of June.

There will be a whole school assembly on the day, beginning at 9.50am. Students will have recess as normal and the Fete activities will start after this.

There will be bands to purchase for students on the day. The bands will be \$20 each, if you are buying for 3 students the cost is \$50 and any additional bands after that will be \$10.

The bands allow students to go on the jumping castle and obstacle course, as well as 10 credits for the activity stalls. When students have used their credits, they will be able to buy additional tickets for activities if desired.

When students use their credits at the activity stalls, they have the opportunity to win tickets. There will be a prize stall where they can then trade in their collection of tickets for prizes.

There will also be a cake stall running on the day, as well as a silent auction with many items to bid on and raffles.

The canteen will be open and offering lunch. Pre orders would be appreciated.

*Mrs Frater*

## **Round 8 Football Results - Northern Jets V Coleambally**

### **Under 11's**

Final Score was Northern Jets 0.1.1 was defeated by Coleambally 6.5.41

An early start through the fog took us to Coleambally on Saturday. We were a few players short but gave our best against a much taller side. An early goal in the first quarter put Coleambally in front but determination and spirit kept them goalless for the next two quarters. Unfortunately they ran away with it at the end which didn't reflect just how well we played.

Billy Cassidy stepped up and used his body brilliantly and kicked our only point earning himself the Bryce Spreading \$10 best on ground. Archie Brill read the play from the back line receiving the Wongajong Ag \$10. Dallas fired his team up around the ground and earned the Mirrool Hotel socks. Little gun Archer Meehan was under every pack and won the Kurralea \$10 canteen award.

Despite the best marking efforts by Finn and Joe as well as blistering tackles by our centermen we ended up going down 6.5.41 to 1.0.1. Bring on next week!

### **Under 13's**

Final Score was Northern Jets 15.9.99 defeated Coleambally 0.0.0

What a great win we had at Coly this weekend! Even though we couldn't really see who we were kicking to, somehow we managed through the fog. We found the goal posts and ended up winning by a whopping 99 points! Full credit to Coly who kept trying hard all day. Thanks to our umpires Brenden Foster and Phil Davey.

Award Winners this week were:

Mirrool Hotel Socks – Jobe Davey

Ariah Park Hardware \$10 – Archer Gaynor

Kurrulea \$10 Canteen Award – Henry Prentice

Wongajong Ag \$10 award – Oliver Foster

# Community News

## **Round 8 Netball Results - Northern Jets V Coleambally**

### **Under 11's**

This week our 11s arrived safely at Coly after an early drive in thick fog. In what was an important game to win the girls took the points to win by 2 goals!

It was a tremendous team effort with every single player contributing to the victory. Jerilderie Vet Clinic \$10 canteen voucher was awarded to Zoey Edis. Starting the day at GS and moving to WA she played a super attacking game. Grace O'Brien took home the Aria Park Bowling Club \$10 with a strong and consistent game at both ends of the court. Well done girls!

### **Under 13's**

Jets 7 def by Coly 29

It was a cold, foggy morning for netball on Saturday in Coleambally but the opposition came out firing despite the cold weather! After a slow start in the first quarter we picked up the momentum & the rest of the game was more evenly matched, with all of the team playing well.

Lucy, Summer, Isabel & Ruby were all kept very busy in defence against a well drilled Coly team. They created some good turn overs, which Lana & Jorja were then able to turn into goals at the shooting end. Grace & Adelaide combined well in WA & C.

Adelaide had another brilliant game in centre, always reading the play so well & encouraging the rest of the team - especially during the breaks! She won Aria Park Bowling Club BOC \$10. Lana worked very hard at GA taking home the Jerilderie Vets \$10 canteen award.

# Community News

## Under 15's

Playing Coly at home on the coldest & foggiest day of the year was always going to be a challenge which the girls were ready for. It was an emotional day for Coly & our thoughts are with their club and their supporters.

The girls started off slowly but increased their defensive and attacking pressure during the game making it increasingly harder for the Coly girls. The girls rose to the coaches challenge winning the final quarter by 5 but unfortunately going down 28 - 35.

Bellah Reilly was rock solid in defence and took out the Aria Park Bowling Club BOC \$10 and Jordan Batterham played her best game of the season to win the Jerilderie Vet Clinic \$10 canteen award.

Next week we take on Griffith Red at Griffith which will be a tremendous challenge.

### Information Session for Sacrament of Reconciliation

Parents, you are invited to the Introductory Session for those children who are eligible to celebrate the Sacrament of Reconciliation, *(those who are baptised and in Year 3 or older are eligible)*. **First Reconciliation** will be celebrated on Saturday 27 August. The introductory session will be held on **Tuesday, 26 July at 3.30 p.m.** in the Hall at Sacred Heart Catholic Church, Aria Park. We look forward to being with you at this session.
